EMMA
KOHLMANN

WORLDS

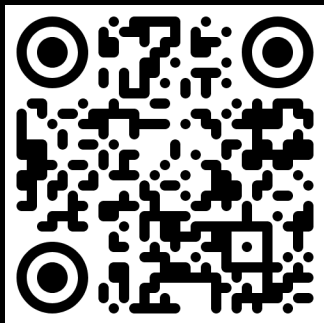

14 MARCH ↔ 18 MAY 2025

March 14th to
May 18th 2025

Open Saturdays
11am-5pm

Emma Kohlmann's poetic, bold, and vibrant paintings are inhabited with human-like plants, animals, luminescent figures, and transient butterflies, together inhabiting a magical world.

Julian Kent creates intimate portraits, often scenes occurring inside domestic interiors, with carefully cropped and framed friends that celebrate the mundane and everyday life.
